

Southeast Arkansas Behavioral Healthcare System

Resource Guide

Revised 2025

The following information has been put together to assist you in accessing resources throughout our service area. This list is by no means a listing of all services offered within our community. If you cannot find the information you are looking for, please meet with your supervisor for assistance.

The information in this guide is listed by the county in which the service provider is located. This does not necessarily imply that the particular provider is limited to that county, however.
